INDEPENDENT AUDITORS' REPORT

TO THE SHAREHOLDERS OF
M/s. BALAXI GLOBAL DMCC
DUBAI - (U.A.E.)

Opinion

We have audited the financial statements ("the financial statements") of **M/s. BALAXI GLOBAL DMCC**, Dubai (the "Company") which comprise the statement of financial position as at **31st March 2024**, and the statement of profit and loss, statement of changes in equity and cash flow statement for the year then ended, and notes to the Company's financial statements, including a summary of significant accounting policies set out on Pages 4 to 13.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as at 31 March 2024 and its financial performance and cash flows for the year ended 31 March 2024, in accordance with International Financial Reporting Standards ("IFRS").

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities section of our report. We are independent of the Company in accordance with the International Ethics Standard Board for Accountants Code of Ethics for Professional Accounts (IESBA Code), and have fulfilled our other ethical responsibilities in accordance with the requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's responsibility for the financial statements

Management is responsible for the preparation of the financial statements that give a true and fair view in accordance with applicable law in United Arab Emirates and International Financial Reporting Standards, and such internal control as the management determines is necessary to enable the presentation of financial statements that are free from materials misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the Company, or to cease operations, or have no realistic alternative but to do so.

Independent Auditor's Report (Contd...)
M/s. Balaxi Global DMCC, Dubai
Year Ended 31 March 2024

Auditors' Responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- * Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for the one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- * Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- * Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- * Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- * Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Independent Auditor's Report (Contd...)
M/s. Balaxi Global DMCC, Dubai
Year Ended 31 March 2024

Auditors' Responsibilities (contd.)

- * Obtain sufficient appropriate evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the company's audit. We remain solely responsible for our audit opinion.

We communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Regulatory Matters

We further confirm that we have obtained all information and explanations necessary for our audit, that proper financial records have been kept by the Company and that these financial statements are in agreement with the Company's financial records. The inventory has been valued in accordance with proper accounting principles.

We further confirm that the financial statements comply with provisions of implementing Regulation No. 1/03 issued by the Dubai Multi Commodity Centre Authority.
